

## Light from Old Times (Hardback)

---

By John Charles Ryle

The Banner of Truth Trust, United Kingdom, 2015. Hardback. Condition: New. Language: English . Brand New Book. The nineteenth century was an age that witnessed great progress in many areas of exploration and learning. However, according to J.C. Ryle, it was an age of great ignorance too. With all the stir made about education , he wryly observed, the ignorance of our own country s history is something lamentable and appalling and depressing. What particularly distressed Ryle was the scant knowledge of the English Reformation evident amongst his contemporaries. In this lay a grave danger: one of the reasons so many congregations drift from their evangelical foundations is their sheer ignorance of Christian history, and their lack of understanding of the major doctrinal controversies and why they matter. Ryle s abiding hope for Light From Old Times is that our souls will be stirred to prayer and action by the great testimonies of Reformers and Puritans found within its pages, and then that we will dig deeper into the writings of these spiritual giants.
