Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

THE HERITAGE OF DEDLOW MARSH AND OTHER TALES

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 92 pages. Dimensions: 11.0in. x 8.5in. x 0.2in.The sun was going down on the Dedlow Marshes. The tide was following it fast as if to meet the reddening lines of sky and water in the west, leaving the foreground to grow blacker and blacker every moment, and to bring out in startling contrast the few half-filled and half-lit pools left behind and forgotten. The strong breath of the Pacific fanning their surfaces at times kindled them into a dull glow like dying embers. A cloud of sand-pipers rose white from one of the nearer lagoons, swept in a long eddying ring against the sunset, and became a black and dropping rain to seaward. The long sinuous line of channel, fading with the light and ebbing with the tide, began to give off here and there light puffs of gray-winged birds like sudden exhalations. High in the darkening sky the long arrow-headed lines of geese and brant pointed towards the upland. As the light grew more uncertain the air at times was filled with the rush of viewless and melancholy wings, or became plaintive with far-off cries and lamentations. As the Marshes grew blacker the far-scattered tussocks and accretions on its level surface began to loom in exaggerated outline, and two human figures, suddenly emerging erect on the bank of the hidden channel, assumed the proportion of giants. This item ships from La Vergne,TN. Paperback.
