Author Reverend Paul Lachlan Peck believes that millstones can be turned into milestones-that adverse experiences can become opportunities for spiritual growth and magnificent manifestations. By listening to the small voice of Spirit, God, you too can overcome the millstones in your own life. Peck explores the intriguing ideas and puzzling questions of New Age teachings in this revised volume, originally titled Intermediate Spiritual Metaphysics. By examining the positive forces that manifest throughout the four major quadrants of life: health, wealth, work, and love, Peck also shows how these forces work within the four primary institutions: church, finance, government, and education. The Christian student of New Age theology will find answers to complex spiritual questions in this easy-to-read book that has been divided into the following three sections: Part One considers dharma, karma, reincarnation, and life between lives. Part Two discusses the governance, authority, and responsibility of the universe. Part Three devotes itself to the Revelation of St. John the Divine, the teachings that relate to daily spiritual life. Milestones of the Way will provide you with an empowerment that heals and ultimately advances you on a path toward spiritual contentment. This item ships from multiple locations.
