Statistical Methods in Radiation Physics

By James E. Turner, Darryl J. Downing, James S. Bogard

Wiley-VCH Verlag GmbH. Paperback. Book Condition: new. BRAND NEW, Statistical Methods in Radiation Physics, James E. Turner, Darryl J. Downing, James S. Bogard, This statistics textbook, with particular emphasis on radiation protection and dosimetry, deals with statistical solutions to problems inherent in health physics measurements and decision making. The authors begin with a description of our current understanding of the statistical nature of physical processes at the atomic level, including radioactive decay and interactions of radiation with matter. Examples are taken from problems encountered in health physics, and the material is presented such that health physicists and most other nuclear professionals will more readily understand the application of statistical principles in the familiar context of the examples. Problems are presented at the end of each chapter, with solutions to selected problems provided online. In addition, numerous worked examples are included throughout the text.

Reviews

This publication is definitely not effortless to get going on reading but very fun to learn. It really is written in simple terms rather than difficult to understand. It's been printed in an extremely simple way and it is merely right after I finished reading through this pdf by which basically changed me, alter the way in my opinion.

-- Scotty Paucek

This pdf is really gripping and intriguing. It typically is not going to charge excessive. It's been printed in an exceptionally easy way and it is simply right after I finished reading this ebook where basically altered me, modify the way I believe.

-- Dr. Damian Kuhn V
