Paperback. Book Condition: New. Paperback. 232 pages. There is a secret that will bring America to its knees. In *The Invisible Enemy: Black Fox*, Reporter Dorian Valentine discovers the horrific truth regarding the Strategic Offensive Reduction Treaty (a critical peace agreement between the former Soviet Union and the United States): One side is cheating, and even worse - the cheating side holds the ultimate trump card. Brutally trained from birth to live, talk, and think like Americans, foreign powers have constructed the most dangerous network of secret operatives ever known - created for the ultimate trinity: Intelligence, Espionage, and Warfare. This dynamic organization has been planted on US soil long ago by the former KGB to retrieve information at any cost, cause political catastrophe, or kill on moments notice. Now they are out of control, striking fear into the heart of the Pentagon. The Central Intelligence Agency assembles a powerful team of assassins that do not exist in an attempt to terminate an enemy that cannot be caught by any traditional methods. *The Invisible Enemy* grabs the reader by the arm, and casts them deep into the furious depths of intense warfare, awesome espionage, and unpredictable deceit - where there is a frightful undercover agenda that even the operatives themselves are not aware of. Betrayed by their own country and thrown into a world they can not trust, they are forced to depend on the most potent weapon they had ever been trained to use: their unnatural minds. In a fast paced...
