[These] stories expand of their own accord, lingering in the mind the way intense light lingers in the retina. -- Los Angeles Times Animals and landscapes have not had this weight, this precision, in American fiction since Hemingway s young heroes were fishing the streams of upper Michigan and Spain. -- San Francisco Chronicle A flock of great blue herons descending through a snowstorm to the streets of New York. . . . A river in Nebraska disappearing mysteriously. . . . A ghostly herd of buffalo that sings a song of death. . . . A mystic who raises constellations of stones from the desert floor. . . . All these are to be found in *Winter Court*, the exquisite and rapturous collection by the National Book Award-winning author of *Arctic Dreams*. In these resonant and unpredictable stories Barry Lopez proves that he is one of the most important and original writers at work in America today. With breathtaking skill and a few deft strokes he produces painfully beautiful scenes. Combining the real with the wondrous, he offers us a pure vision of people alive to the immediacy and spiritual truth of nature. Powerful. . . .
