## Caniff: A Visual Biography

By Dean Mullaney Editor; illustrated by Milton Caniff

IDW Publishing, 2011. Hard Cover. Book Condition: New. Full Colour illustrations. He's been called "The Rembrandt of the Comic Strip" and the "Greatest Generation's Cartoonist-in-Chief." No comics artist has so heavily influenced his medium and no cartoonist has seen more imitators than Milton Arthur Caniff, the creator of Terry and the Pirates, Male Call, and Steve Canyon. While these three classic newspaper strips have been reprinted, until now, the immense talent behind them has never been afforded a large-scale art monograph dedicated to his entire career. Produced with full access to Caniff's extensive personal archives at The Ohio State University, and with the cooperation of the Caniff estate, this oversized book reproduces from the original artwork hundreds of comics, illustrations, pencil sketches, and drawings - including many not previously reprinted. In addition to the three famous comic strips, represented are his childhood drawings, the beginnings of his career as a newspaper cartoonist, his significant contributions to the 1940s war effort, as well as his continuing relationship with the Air Force, Boy Scouts, and other organizations. 360 pages. Size: 11" x 11" (290mm x 290mm). ISBN: 9781600109201.
