ECONOMIC STUDIES (PAPERBACK)

[DOWNLOAD](#)

COSIMO CLASSICS, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Walter Bagehot's *Economic Studies* is a detailed discussion of English political economy as it was influenced by economists of the eighteenth and nineteenth centuries. As former editor-in-chief of *The Economist*, Bagehot reveals an intimate knowledge of the factors that define England's economy. He explores the ideas of economists like Adam Smith, Thomas Robert Malthus, and David Ricardo; he then applies many different approaches to economic studies in the final chapters entitled *The Growth of Capital* and *Cost of Production*. British journalist WALTER BAGEHOT (1826-1877) was an early editor of *The Economist* and was among the first economists to discuss the concept of the business cycle. He is also the author of *The English Constitution* (1867), *Physics and Politics* (1872), and *The Postulates of English Political Economy* (1885).
