

Personal Declension and Revival of Religion in the Soul (Classic Reprint) (Hardback)

By Octavius Winslow

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Personal Declension and Revival of Religion in the Soul That the subject on which this humble volume treats is vastly solemn, and deeply searching, every true believer in Jesus must acknowledge. The existing necessity for such a work has long impressed itself upon the Author's mind. While other and abler writers are employing their pens, either in defending the out-posts of Christianity, or in arousing a slumbering church to an increased intensity of personal and combined action in the great work of Christian benevolence, he has felt that if he might but be instrumental, in ever so humble a way, of occasionally withdrawing the eye of the believer from the dazzling and almost bewildering movements around him, and fixing it upon the state of his own personal religion, he would be rendering the Christian church a service, not the less needed and important in her present elevated and excited position.
