But five years ago she had something better: happiness. Her firefighter husband, Quaid, was handsome, courageous, and crazy about her. Then one day he walked into a chemical inferno--and never walked out. Jessica has been through hell to get back on her feet. And then a rumor surfaces that could bring a miracle or shatter her world--again. Q has been a prisoner forever. He's honed his mind and body into weapons. He's developed abilities no one else understands. But he's still at the mercy of a cabal of ruthless men, who blank his memory, test him like a lab rat, and tell him lies. Although his past has been erased and his future looks grim, instinct tells him he has a woman to live for. What his mind can't remember, his body can't forget. . . The heat is on.
