Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, after the way I believe.

It lays out the elements for a successful M&M game in which the strange and paranormal are true and a few lone heroes struggle against the Things That Go Bump in the Night. The Supernatural Handbook includes detailed information on character creation, horror-themed series, and adventure design, and a complete system for building your own supernatural menaces for your heroes to hunt (or to hunt them.). You'll find hero and villain archetypes like the Curse-Burdened Adventurer, Noble Monster, Dark Emissary and Inhuman Juggernaut. The book also introduces the organization ARCADE (American Research Center for the Arcane Defense of Earth) and its agents, who wage a secret war every night. Join the fight against ancient evils and occult menaces with The Supernatural Handbook!.
