Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.God s answers to the imputation prayer of faith for His children are so quick and the effects are tremendously powerful. If you ask the reason, the author would say that the imputation prayer is a prayer that acknowledges the redemptive work of Jesus the most, so that God cannot help but works quickly for His children. Uncountable people in this world are suffering and the same as those in the church. So when you meet such people, you must help them. You do not need to have more talents and money than whom you would help, nor are your circumstances much better than theirs in order to help them. You can help them by teaching the gospel of imputation and let them apply it, or you can pray the intercessory imputation prayer for them.
