SOUNDS TRUE INC, United States, 2006. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Sometimes the truth really is stranger than fiction, and for Gary Renard bestselling author of The Disappearance of the Universe such was the case. In 1992, two ascended masters appeared before him to impart the teachings from A Course in Miracles. Before their arrival, Renard had never heard of this modern spiritual text. Over the next nine years they met with him frequently to teach him its complexities. Now, on The End of Reincarnation, Gary Renard offers a practical understanding of the Course s core principles, including: How projection makes perception specific teachings from the Course to see how our ego influences the way we look at friends, family, and coworkersTrue forgiveness a thought-process technique to release those who have harmed you and yourself from any perceived guilt How to work on the level of cause to cultivate more strength and power, and to bring lasting positive effects into every situation of your life, and more I understand now that reincarnation is only something that appears to happen, Renard explains. It s just a continuation of the dream of birth and death. Distilled for people who have been curious about A Course in Miracles as well as for continuing students who would like to deepen their studies The End of Reincarnation illuminates the peace available when we awaken from the dream, and catalyzes our experience of oneness with all of creation.
