Reviews

A must buy book if you need to adding benefit. Better then never, though i am quite late in start reading this one. I am very happy to inform you that this is basically the very best book we have study during my own life and could be he finest ebook for possibly.
(Rodger Hane)

LINESMAN (PAPERBACK)

Penguin Putnam Inc, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. First in a brand new thought-provoking science fiction series. The lines. No ship can traverse the void without them. Only linesmen can work with them. But only Ean Lambert hears their song. And everyone thinks he s crazy. Most slum kids never go far, certainly not becoming a level-ten linesman like Ean. Even if he s part of a small, and unethical, cartel, and the other linesmen disdain his self-taught methods, he s certified and working. Then a mysterious alien ship is discovered at the edges of the galaxy. Each of the major galactic powers is desperate to be the first to uncover the ship s secrets, but all they ve learned is that it has the familiar lines of energy--and a defense system that, once triggered, annihilates everything in a 200 kilometer radius. The vessel threatens any linesman who dares to approach it, except Ean. His unique talents may be the key to understanding this alarming new force--and reconfiguring the relationship between humans and the ships that serve them, forever.
