Brand New Book ***** Print on Demand *****.Excerpt from The Past, Present and Future of the Society of Friends IN a measure of that love which would gather all from their outward wanderings in search of the living among the dead, to the inward life and saving power of Truth, I would affectionately call our attention to that living way wherein our worthy forefathers were led to blessedness and peace, as well as to some of the causes which have operated in producing our lapsed condition, as a religious people professing, above all others, a quiet waiting, and humble dependence upon the enlivening, enlightening power of divine grace; which, it is testified, hath appeared to all men, as their inward, spiritual teacher, monitor, and guide.
