## The Rise of the Research University: A Sourcebook (Paperback)

---

By -

The University of Chicago Press, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. The modern research university is a global institution with a rich history that stretches into an ivy-laden past, but for as much as we think we know about that past, most of the writings that have recorded it are scattered across many archives and, in many cases, have yet to be translated into English. With this book, Paul Reitter, Chad Wellmon, and Louis Menand bring a wealth of these important texts together, assembling a fascinating collection of primary sources many translated into English for the first time that outline what would become the university as we know it. The editors focus on the development of American universities such as Cornell, Johns Hopkins, Harvard, and the Universities of Chicago, California, and Michigan. Looking to Germany, they translate a number of seminal sources that formulate the shape and purpose of the university and place them next to hard-to-find English-language texts that took the German university as their inspiration, one that they creatively adapted, often against stiff resistance. Enriching these texts with short but insightful essays that contextualize their importance, the editors offer an accessible portrait...

### Reviews

*Very useful to all of category of people. I actually have read through and that i am sure that i will likely to go through once more again in the foreseeable future. I realized this book from my i and dad advised this publication to find out.*

-- **Alta Kirlin**

*This is the very best publication i have got read until now. It is definitely simplified but shocks within the fifty percent of the pdf. You may like how the article writer create this pdf.*
