Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Man vs. Markets by Paddy Hirsch of NPR's Marketplace is economics explained, pure and simple, for the layperson who wouldn't know a bond from an option, and who believes that a future is when we'll all have flying cars. Here is an illuminating, insightful, and wonderfully witty journey of discovery through the often confusing financial markets, offering clear, relatable explanations and definitions of the system's various instruments, yet less simplistically than the popular for Dummies series. Man vs. Markets is a must-listen handbook for everyday investors, serious students of finance and economics, and everyone who wants to understand what they're reading when they open their newspapers to the business section.
