Reviews

It is simple in study safer to understand. It can be full of knowledge and wisdom Your way of life span is going to be enhance when you full looking at this book.

(Lavina Torp)

TEXAS, OUR TEXAS

Steve Van Wagner, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In Gansk s first political fantasy novel, Red-State, Blue-State, Governor Travis Whitlock, fed up with the Obama Administration, helped the state of Texas detach from the United States to become its own sovereign country. Now in this candid sequel, Governor Whitlock is well prepared to guide Texas through a gauntlet of assaults from President Obama and Hillary Clinton. Much to the Secretary of State s chagrin, two Muslim terrorists remain sequestered in Whitlock s custody and are claiming asylum. This political issue brings on one hilarious confrontation after another as Conservative Texans and D.C. liberals clash in an alternate universe that has no boundaries.
