ETERNITY THE BEGINNING ETERNITY (PAPERBACK)**DOWNLOAD**

Outskirts Press, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. My theory of the mystery of life begins before time, space and matter as we know it. This love of God is placed in our hearts, the core of our minds, at birth. Through the time tested truth we come to realize that our God is truly a wonderful Father calling out to us our whole lives. The flesh and its desires truly was the optimum test. If not for Gods sacrificial love this salvation was proven virtually impossible. Because this plan involved so many souls it was going to take a very long time in this universe of time space and matter to accomplish. I believe that we must...
