A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

BRILLIANCE AUDIO, 2015. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Jim Snow and his sister Karen have never been very close. In fact, they haven't seen each other since their mother's funeral two years ago, despite living just three miles apart. But then Snow gets a panicked phone call from Karen telling him that her estranged husband has been murdered and she is the number-one suspect. Snow agrees to help, seeing as he's the only family she has left. Plus he is a Las Vegas homicide detective--or at least, he was until he quit the force to become a full-time poker player. But while his crime-fighting skills may be a little rusty, even he has to admit Karen is a likely suspect. She stands to collect on her dead husband's life insurance, which is quite the coincidence considering she's been living on her first two husbands insurance for years. Snow isn't sure whether or not his sister is innocent, and there's only one way to find out. He joins forces with feisty cocktail waitress-turned-cop Alice James and together they set out amidst the glittering lights of Vegas to solve this witty and entertaining whodunit.
