SELF-CHANGE HYPNOSIS

Trafford Publishing. Paperback. Condition: New. 140 pages. Dimensions: 8.9in. x 5.9in. x 0.5in. Just think! What could you achieve if you could design and accomplish everything that you desire, easily This is something that Richard MacKenzie asks his clients regularly. The reason that he asks them such an open ended question is that he believes with complete conviction that an individual is capable of achieving all of their wildest dreams and more! By ordering this book today you will be starting your new life from now, knowing that the life that you always dreamt of is just days away! The techniques that you will learn in Richards groundbreaking new book will both challenge and inspire you to achieve the truly impossible. He believes that if we change and challenge the things that we believe about ourselves, that we can ultimately change and take control of our own destinies. For instance, commonly people will think things like, Ill never have enough money, People dont appreciate me or value what I have to say and, No one really likes me. These are all beliefs and with the knowledge and techniques that you can find in Self-Change Hypnosis, you can get rid of them and start living instead of just existing! I understand that life can sometimes be a bit of an uphill struggle. This is why I decided to put the techniques that I use with my clients every day to help them get extraordinary results into Self-Change Hypnosis. I truly believe in you and have no doubt that with a little time and effort that we can work together through the book and help you...
