Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Oral Tradition. Stories passed through generations with only slight embellishment, or change. They sometimes take on lives of their own, until told so many times they are almost believable. Most have the form of creation myths and precautionary yarns attempting to explain how we all got here and how to not get eaten and grow old. I, on the other hand, have a bad memory and a philosophical heart.so, these are not them.
