*Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

St Martin s Press, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. From the author of A Little Something Different comes a quirky, heartfelt novel about high school, first love, and what happens when the plans you make for yourself go just a little bit awry. Gideon always has a plan. His plans include running for class president, leading the yearbook committee, and having his choice of colleges. They do not include falling head over heels for his best friend and next-door neighbor, Kyle. It s a distraction. It s pointless, as Kyle is already dating the gorgeous and popular head cheerleader, Ruby. And Gideon doesn t know what to do. Kyle finally feels like he has a handle on life. He has a wonderful girlfriend, a best friend willing to debate the finer points of Lord of the Rings, and social acceptance as captain of the basketball team. Then both Ruby and Gideon start acting really weird, just as his spot on the team is threatened, and Kyle can t quite figure out what he did wrong. Author Sandy Hall s signature wit and charm is back with *Been Here All Along*, an LGBT young adult romance from Macmillan s young adult imprint Swoon Reads. Praise for *Been Here All Along* It s sweet. It s adorable. It s full of emotions. It s one of the best romances I ve ever read, and I ll be reading this one again multiple times. --Here s to Happy Endings If you re a fan of cute YA romance, this book will hit the spot. --Feed Your Fiction Addiction Atmospheric and heart-warming . . . --Hit Or Miss Books.
