Though each of us follows a fundamentally different path, we are all filled with the same positive potential. This book offers proven methods to unleash the potential to radically alter and improve our personal lives. The first thing to understand is that we are not simply human beings. We are spiritual beings currently in the middle of a human experience. In following the same generic paths as everyone else, we reach a point where it seems like there should be more. We wonder what the meaning of life truly is. We can find it. There is no magic solution, but by putting in time and effort, we can improve our personal relationships, enhance our health, and increase our experience of joy. Learn to delight in each day of your life, savoring it as a precious experience, through meditation, consciousness, and living in the moment. Told through the example of one man's thirty-year journey, this spiritual guide is the right start for anyone seeking a more loving, peaceful, joyful and fulfilling experience in their life. Alongside webinars and blog posts, this encouraging guide helps us make the most of the life ahead, for within each person is the ability to drastically alter his or her human experience.
