MEN ARE TOO HORNY WOMEN ARE TOO SMART: THE PROBLEM WITH RELATIONSHIPS: FOR SINGLE AND MARRIED PEOPLE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Are male horny tenancies destroying relationships? Are women too demanding? Why are domestic violence, divorces and bad marriages at an all time high? What must we change to save our relationships and our communities? At a Relationship Conference attended by MD s and PhD s in the field of relationships, I asked the distinguished panel of experts a question. Are men too horny and women too smart the reason why relationships are so troubled? Needless to say this shut the panel down and shocked the audience. Now perhaps for the first time this question along with myths and truths will be revealed in this book that dares to be honest about all things in the world of relationships.
