

## Molecular structure and properties of silver (I/II/III) containing organometallics

By Bojidarka Ivanova

GRIN Verlag Okt 2015, 2015. Taschenbuch. Book Condition: Neu. 213x149x12 mm. Neuware - Research Paper from the year 2011 in the subject Chemistry - Anorganic Chemistry, TU Dortmund (Fakultät für Chemie und Chemische Biologie, Institut für Umweltforschung, Lehrstuhl für analytische chemie), language: English, comment: The focus of content, is on crucial for the organic synthesis information obtained in gas- and condense phase by methods of mass spectrometry and single crystal X-ray diffraction along with indispensable theoretical data about the nature of metal-C bond, structure of organometallics, their kinetic and thermodynamic properties obtained by quantum chemistry. We have emphasised the coordination chemistry of silver(I/II/III) ions among prospective and challenging areas in inorganic and metal-organic chemistry with a significant impact to organic synthesis, catalysis and materials research. , abstract: Despite a tremendous number of books, monographs, textbooks and review-articles devoted to 'organometallic chemistry', the largest part of those contributions have been designed into following structure of the content: (i) Manuals, handbooks and encyclopedias summarizing important organometallic reagents in the organic synthesis; (ii) Books, containing synthetic protocols for obtaining of organometallic reagents; and (iii) Manuals on basic organic reactions catalysed by organometallics. However, there are scarce efforts devoted to studies of reaction mechanisms,...

### Reviews

*This ebook can be worthy of a read, and much better than other. I have read and i am certain that i am going to planning to go through again once again in the future. You may like just how the writer compose this book.*

**-- Mr. Grant Stanton PhD**

*A whole new eBook with an all new standpoint. It is actually rally fascinating throug reading through time period. You wont truly feel monotony at anytime of your own time (that's what catalogues are for relating to when you request me).*

**-- Claire Bartell**
