

Dr KittyCat is Ready to Rescue: Posy the Puppy (Paperback)

By Jane Clarke

Oxford University Press, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. Dr KittyCat is always ready with her furry first aid! In Posy the Puppy, after a busy clinic sorting out the bumps and bruises of the hopeful contestants practising for the Paws and Prizes sports day, Dr KittyCat and Peanut get an emergency call. Posy is stuck in the agility tunnel and she won't come out! Has she injured her leg? Or could there be another reason why Posy is so worried about being fit for the sports day? We'll be there in a whisker! This series follows the first-aid adventures of Dr KittyCat and Peanut the mouse, who's always at her side. Each book is about a small furry patient who badly needs Dr KittyCat's help. With fun and familiar contexts that children can relate to, lovable characters, and strong storylines around each medical emergency, the Dr KittyCat series has real appeal for children. There is just the right mix of compelling first-aid detail combined with a delightfully surreal furry world. The books share a unique visual identity - they are highly-illustrated in two colour, combining photography and hand-drawn elements.

Completely essential go-through book. This is for all who state there had not been a worthy of reading through. It is extremely difficult to leave it before concluding, once you begin to read the book.
