Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.For the men who struggle with dating, I have great news. You are not alone. 50 of all single men have not been on a date in the last two years. Other men date occasionally, but never enjoy the success they crave. Still others are newly divorced and have re-entered the intimidating single world for the first time since the advent of internet dating. The truth is there are a lot of lonely men out there. Masterdate: the handy guide to internet dating for guys, is author George Reagan s personal story of how he overcame a myriad of obstacles to enjoy marvelous success with dating. Using internet dating as his primary platform, he dated over 150 women in a four year span. The author now invites men everywhere to join him in exploring and learning the unique concepts that enable men to relate to women, including: - learning the lingua franca that is essential to effective communication with women. - Does size really matter? Here are the times it matters the most. - Knowing the perfect timing for that crucial first kiss. - Unique dating advice from Albert Einstein and Han Solo! - How I created my online dating profile that some women called the best they have ever read.
