In a village full of selfish inhabitants, the idea that making stone soup would bring them all together might be hard to swallow literally! With a few stones as the initial ingredients, three famished soldiers cleverly convince the villagers to contribute all of the items needed for a delicious pot of soup. In this spirited adaptation of the beloved folktale, preparing a simple pot of soup teaches the villagers that sharing brings happiness and celebration. After reading this heart-warming tale, children will certainly want to make a pot of their own stone soup. Because it makes a great activity for the classroom, suggest it to a favorite teacher, and remember that individuals can accomplish more when working together.
