Little, Brown Company, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Brant Wellington has spent the past four years living in a hell of his own making, but now he s willing to do anything to get away from the anger and pain of his past. So when his grandfather offers him a job as the new VP of hotel acquisitions for Titus Enterprises he accepts. Not because he needs money. Or even a job. But because the job offers him the one thing he can t say no to: a challenge. Nikki knows that people are worse off than her. Sure, she s blind and lost her one and only child as well as the love of her life, but she chooses to focus on the fact that at least she has a job at one of the hottest boutique hotels in the state. Everything is perfect, until the new VP of hotel acquisitions blows into the hotel like a hurricane. When he books a massage with her she can t help the way her hands move across his body. She wants him, he wants her, but it s wrong, not to mention she could get fired. But it s clear the new VP wants her as much as she wants him. And when they have a one-night stand, everything becomes clear. Nikki s past has come back to haunt her, and this time, she refuses to let him walk away again.
