Dimensions: 9.0in. x 6.0in. x 0.7in. Excerpt from The Second Generation The curtain rises on a stage as plain as the old Elizabethans, - a little bare room, containing a pine desk without a lid, three chairs, and two of the inevitable receptacles whose presence indicates, to the student of sociology, the habitat of the American politician, just as certain deep scratches on ancient petrified trees are said to be proof of the one-time presence, in those woods, of the megatherium. Maps covered the walls - maps wherein blue, red, yellow, and brown lines, striking an unerring course, were supposed to show the railroads of the state; maps cut into large and small squares, like trigonometrical paper, numbered, lettered, and shaded, to indicate the possessor of every forty acres of land in the county. A heavy odour of tobacco brooded over all. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
