Avoid bankruptcy, eliminate the financial stress in your life, and fast track your way to credit reparation. Many home owners have seen their dreams shattered by this unprecedented economic crisis we are living thru. An alarming number of homes through the country are worth less than the mortgages on them. As if that was not enough, the crisis has left many without the means to keep maintaining their payments current, and are in imminent danger of losing their homes to foreclosure. They are trapped in their home with no way out. Or is there? This book will explain in detail the best method to get out of such dire situations. The short sale is widely accepted as the best strategy currently available to end the nightmare and get a fresh start. The priceless information inside includes: \* How to correctly assess the situation \* Research and preparation essentials \* Understanding the pitfalls \* Important negotiation factors \* Actual real-life exhibits Sometimes things happen that are beyond our control. When tough situations...
