Reviews

It is really an incredible publication which i actually have possibly read through. It really is writter in easy phrases and not confusing. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Jodie Wehner)

Pantheon, 2013. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "This is a hard-hitting examination of minor league baseball and some of the major issues of life in small-town America, in this instance, Clinton, IA. . . . In this compelling book Mann seeks to humanize not only the players but also the fans who comprise the family of this small-town field of dreams. Overshadowing much of the story is the decline of Clinton, a once proud, mighty union town. At bottom, this work examines honestly, seriously, and at time comically dreams dashed, dreams deferred, and perhaps dreams yet to be realized. Like a mixture of Bull Durham , American Gothic , a Coen brothers film, and a Springsteen song. Highly recommended for any serious lover of baseball, small-town America, contemporary popular culture, or just plain good nonfiction." - Library Journal (starred review) "Lucas Mann's startlingly good Class A revitalizes not just the small-town sports story but the genre of creative nonfiction itself. It's the most original nonfiction debut I've read in years, much smarter than the usual 'you-are-there' narrative and far more vivid, witty, and emotionally rich than a book this self-aware has any right to be. Mann's orchestration of character and moment-his insight into the nature of hope and delusion-is wonderful to behold." -Jeff Sharlet, author of The Family and Sweet Heaven When I Die "Like a millennial Joan Didion or Gay Talese, just as talented, just as pure, Lucas Mann comes blazing out of nowhere and makes good on this book's grand promise of 'everywhere': his beautiful losers, monkey-rodeo impresario, superstars-in-training, steely-eyed Venezuelan Caseys-at-the-Bat, and-perhaps most profoundly-his own winsome self, make this tour through the Mississippi Valley minors the most intensely contemporary and truly amusing nonfiction that I have read in..."
