

Learning Theories. Their Influence on Teaching Methods

By Thadei Filipatali

GRIN Publishing Mai 2015, 2015. sonst. Bücher. Condition: Neu. Neuware - Seminar paper from the year 2013 in the subject Pedagogy - Pedagogic Psychology, grade: B+, University of Dar es Salaam (SCHOOL OF EDUCATION), course: MASTER OF SCIENCE (SCIENCE EDUCATION), language: English, abstract: In this paper the concept of teacher development is well examined, and theories pertaining to it are also linked to. There are some important terms that need clarification and defining before the concept is explored in deep. The reasons why some terms are worth clarifying is the need for shared understanding. The absence of shared (common) understanding threatens construct validity, and difficulty in identifying teacher development process. Development is a process that involves change from a primitive state to a more advanced one. The United Nations Development Programme uses a more detailed definition and according to them development is to lead long and healthy lives, to be knowledgeable, to have access to the resources needed for a decent standard of living and to be able to participate in the life of the community. Human development can be viewed as freeing people from obstacles that affect their ability to develop their own lives and communities. Development is about empowerment,...
