TOWARDS ADAPTIVE SERVICES

Towards Adaptive Services
Design and Development

LAP Lambert Academic Publishing Nov 2012, 2012. Taschenbuch. Condition: Neu. Neuware - We propose a new design that supports policy negotiation, process modification, and interface alteration according to user needs, hence cater the service to quickly adapt to the service consumer requirements. We refer this design as Adaptive Service Design (ASD) which enables the service provider to perform: 1. Service Differentiation: Pre-generate multiple service descriptions for single service which facilitate different groups of potential customers interaction needs...

Reviews

This publication can be well worth a study, and far better than other. Better then never, though i am quite late in start reading this one. Its been printed in an exceedingly simple way and it is only soon after i finished reading through this book in which really transformed me, alter the way in my opinion.
