It was subdivided into four sections, which were given out for treatment to members of our Board - the first division, that relating to the history, varieties, chemical composition and statistics, having been assigned to myself. It is, I assure you, a broad and intricate theme, demanding for its satisfactory presentation greater ability than I have ever laid claim to; and in the time I am to occupy, I can only glance at the points involved. The gentlemen who are to follow me to-day and to-morrow, each have most important divisions of this subject to present to you; and they have indicated to me in the correspondence we have...
