Spring Boot Intermediate Microservices: Resilient Microservices with Spring Boot 2 and Spring Cloud (Paperback)

By Jens Boje

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Learn to build a resilient microservice infrastructure using proven patterns with Spring Boot 2 and Spring Cloud. Resilience and fault tolerance are a must, or your system will fall apart. Our guides give you brief lessons on a single topic to get you started in no time. We leave the fluff out so you can focus and learn better and fast. In this guide, we will build a tiny web application using the microservice we created in Spring Boot: How To Get Started and Build a Microservice and expand the scenario with common microservice patterns for building a reliable fault-tolerant infrastructure. You can follow along without having read the previous book. You learn best by coding. The way I love learning too. We use Spring Boot 2 with the Milestone 2. What you will build: We will write a simple web client application for our microservice and improve it with each step to handling load balancing, failovers, service discovery and more. In each stage, we implement one pattern and discuss its advantages and disadvantages. At the end of the book, you will have...
