Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Treatment of Steel: A Series of Circulars on Heating, Annealing, Forging and Tempering, Issued by the Cresent Steel Works From time to time our friends ask of us questions concerning steel, its correct treatment and management, and we have therefore thought it proper to combine in one form circulars issued by us in previous years. At the same time we add some new and, we hope, interesting matter. We trust that it may be accepted as an effort on our part to assist in overcoming difficulties connected with the working of steel. Many will find in it nothing new; others may be able to select something of interest and profit. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
