This is a love story about an airplane, a young girl's need to fly, and the dream of flying a transcontinental air race. How did a big city-girl become a Powder Puff Racing competitor? Kay Blevins had lots of sheer determination and grit that wouldn't quit. It was love at first sound - the day she first heard the engine of 619, and in all the years since then, she's never forgotten it! For all of today's young girls, who think it has always been their world, here's a true story about a woman who wouldn't take no for an answer - and made the skies hers! Wife, mother, business woman, entrepreneur, Kay Blevins set her sights on a goal, and never looked back. Here is the tale of how her dream came true, along with some of the adventures that followed.
