Do you feel your soul scream deep inside as you desperately struggles to reclaim . your manhood? So what is it you need? It s simple. You need what every Man needs to feel whole and relevant: Dominion over life. Inside this book are some suggestions to help you self-reflect. Young or old, all men like control. The fact is, we only have limited control over our lives; and the solution is to simply minimize the amount of stupid we inflict upon ourselves. Additionally, it is unmanly to act and to choose to be feminine, unconfident, uncommitted, oversensitive, selfish, and childish. These are male deficiencies. By divulging some hard lessons I and others have learned, this book will hopefully help you from experiencing the same painful lessons; and to reflect deeply as to what kind of Man you want to be.
