Brand New Book ***** Print on Demand *****.This book chronicles the author s time as a Deputy Sheriff in the rural South during the 1980 s, in a place where everyone was kin, or nearly so, and police action often meant a good talking-to rather than a trip to jail. This was a time when moonshiners still made corn liquor, and before the dramatic increase in violent crime, a time when common sense and a sense of humor were the most important attributes a lawman could have. Lt. James McConnell, the author s first mentor in law enforcement, passed down many lessons, the first of which was Just because you can lock a man up doesn t mean you should. The Lt. demonstrated this and many other life lessons as he dealt with people who were not evil, just wrong. Buddy Wilkes began service as a Deputy Sheriff in Fairfield County, SC in 1981, just after graduation from The Citadel with a degree in English. He enjoyed a long career in which he served as a street cop, investigator, and administrator. He retired as a Captain with the SC Law Enforcement Division in 2014. The Way I Remember It.The Sheriff s Office is a light, amusing collection of stories of a time gone by, but well remembered.
