Trafford Publishing, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In this book, I have taken everyday feelings from my life dealing with depression, bipolar disorder, multiple sclerosis, and Marfan s syndrome and channeled them into words. I also write about my life after a divorce and the ups and downs of dealing with an ex for the sake of taking a productive role in your child s life. I talk too about life without a father and how my mother has always been there for me and never led me astray, and the struggles we faced in life with her not only as a single parent but also as a lesbian before it was socially accepted.
