RELIGION AND THE WAR (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In one of our more thoughtful magazines we were favored last February with an article entitled, Peter Sat by the Fire Warming Himself. It was a bitter, undiscriminating arraignment of the ministers and churches of the United States for their alleged lack of intelligent, sympathetic interest in the war. It was written by an Englishman who for several years has been vacillating between the ministry and secular journalism, but is now the pastor of a small church in northern New York. The vigor of his literary style in trenchant criticism was matched by an equally vigorous disregard for many of the plain facts in the case. His tone, however, was loud and confident, so that the article secured for itself a wide reading.
