

Thoughts on the Suzuki Piano School: A Suzuki Method Symposium

Filesize: 5.05 MB

Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

Suzuki Method International, United States, 2011. Paperback. Book Condition: New. 206 x 135 mm. Language: English . Brand New Book. Thoughts on the Suzuki Piano School was written in 1985 by one of the greatest exponents of the Suzuki Piano School. Kataoka went to study with Suzuki after many years of piano study, and soon realized that traditional approaches to piano teaching were wasting the innate ability of younger students. She hopes that through this little book she can bring to light the unnecessary suffering encountered by students and teachers who are using the time-worn read/learn/memorize method of piano study. Some topics covered include: a charming explanation of Shinichi Suzuki's philosophies, the Method itself, how to play, crucial points for beginners (listening, tone, parental assistance), and a thorough overview of Volumes 1 and 2 of the Suzuki Piano School. Her personal touches, triumphs, failures and enlightenment make very interesting reading. All teachers of Suzuki Piano will enjoy and benefit from reading this booklet. Even more important, however, is the fact that non-Suzuki piano teachers should read this, and utilize some of Mrs. Kataoka's thoughts in their teaching. Suzuki parents should also be asked to read this book to assist them in their vital role in the musical education of their children. This book is full of good advice, knowledge and fact.
