Dark Horse Comics,U.S., United States, 2003. Paperback. Condition: New. Language: English . Brand New Book. Dark Horse Comics brings the original Astro Boy to America for the first time in an English-language edition! With graphic novels and animation exploding across America like never before, the signal creative and spiritual influence of the late master-storyteller Osamu Tezuka is being recognized worldwide, the skill, range, and emotional power of his storytelling placing him among the giants of graphic fiction and animation. And Tezuka s Astro Boy is perhaps the single-most important action/adventure archetype for the 21st century, a timeless all-ages work with its roots in classic comics and cartooning and its branches reaching into every corner of today s popular entertainment. Few works -- past or present -- pack the excitement, laughs, and warmth of Astro Boy. Translation by Frederik L. Schodt, author of Inside the Robot Kingdom and translator of Barefoot Gen.
