## Global Maya: Work and Ideology in Rural Guatemala (Paperback)

By Liliana R. Goldin

University of Arizona Press, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. In the central highland Maya communities of Guatemala, the demands of the global economy have become a way of life. This book explores how rural peoples experience economic and cultural change as their country joins the global market, focusing on their thoughts about work and sustenance as a way of learning about Guatemala's changing economy. For more than a decade, Liliana Goldin observed in highland towns both the intensification of various forms of production and their growing links to wider markets. In this first book to compare economic ideology across a range of production systems, she examines how people make a living and how they think about their options, practices, and constraints. Drawing on interviews and surveys—even retellings of traditional narratives—she reveals how contemporary Maya respond to the increasingly globalized yet locally circumscribed conditions in which they work. Goldin presents four case studies: cottage industries devoted to garment production, vegetable growing for internal and border markets reached through direct commerce, crops grown for export, and wage labor in garment assembly factories. By comparing generational and gendered differences among workers, she reveals not only...
