Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Chess is a universal game played throughout the world. It is a game for everyone, not just the rich and well connected. This book is based on the lessons I did with my elementary level students in our chess club. I was amazed at how fast the five-year-old students learned to play chess and how they were able to get along and enjoy playing together. Children learn from scratch how to play chess. Each chess piece is described and is explained how to use. Quizzes show how well the material is understood. Answers are provided at the end of each lesson. A BINGO GAME is included. The BINGO board and chess pieces are intended to be duplicated and cut out for each chess player. Questions and their answers are included. ENJOY!!!!!!
