

The Downriver Horseshoe (Paperback)

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

(Prof. Loyce Runolfsson Jr.)

THE DOWNRIVER HORSESHOE (PAPERBACK)

Stolen Time Publishing, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.THE DOWNRIVER HORSESHOE draws its stories from the landscapes and people of the industrial, south side of Metro Detroit called Downriver. It is Americana with a gritty, blue-collar twist-filled with quirky, rough-hewn characters like Duke Peterson, a retired cookie-truck driver who, at the behest of his nasty, invalid wife, has to hock his grandfather's old shotguns to make rent; there is George Rimbaud, a morally confused mailman who continually crosses the line and intertwines his life (and sex life) with people along his route; and also Simon Touhy, a young man who falls in love with a prosthetic leg found at his worksite on Mt. Trashmore, a landfill converted to public ski slope. With the luck and pride of Downriver at their side, these men march on, making the best decisions they can in an area that can be bleak and beautiful and dangerous on the same block. All of the stories have previously appeared in nationally distributed magazines such as LIT, Cimarron Review, Storyglossia, Beloit Fiction Journal, The MacGuffin, Atticus Review, Crime Factory, Needle: A Magazine of Noir, Thieves Jargon, Avatar Review and Pebble Lake Review. Praise for THE DOWNRIVER HORSESHOE: Every story in THE DOWNRIVER HORSESHOE is full of secrets, and so many of the lines keep surprising me. The way Scott Miles sees the world is fresh and effortless, like a kid coming across a new animal he's never seen before. What do you name it? How do you describe its sound? That's the experience—except with strippers, suicide, brutality, and a whole lot of pain. —Anthony Neil Smith, author of ALL THE YOUNG WARRIORS Scott Miles's writing is funny and dark, often on the...
