Reviews

It is simple in study safer to understand. It can be full of knowledge and wisdom Your way of life span is going to be enhance when you full looking at this book.

(Lavina Torp)

A CHILD OF ONE'S OWN: PARENTAL STORIES (HARDBACK)

[DOWNLOAD](#)

Oxford University Press, United Kingdom, 2013. Hardback. Condition: New. Language: English . Brand New Book. Among the elementary human stories, parenthood has tended to go without saying. Compared to the spectacular attachments of romantic love, it is only the predictable sequel. Compared to the passions of childhood, it is just a background. But in recent decades, far-reaching changes in typical family forms and in procreative possibilities (through reproductive technologies) have brought out new questions. Why do people want (or not want) to be parents? How has the choice first enabled by contraception changed the meaning of parenthood? Looking not only at new parental parts but at older parental stories, in novels and other works, this fascinating book offers fresh angles and arguments for thinking about parenthood today.
