NINJA TUNE: 20 YEARS OF BEATS AND PIECES (PAPERBACK)

Black Dog Publishing London UK, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book. Ninja Tune have been dedicated to publishing inspiring electronic music for the past two decades. Celebrating their twentieth anniversary in 2010, the label was established by two friends who wanted a new label for their venture Coldcut. Matt Black and Jonathan More conceived a label that was unfettered by restraints upon its artists work, offering a vibrant and diverse array of inspired minds a broad canvas upon which to paint their masterpieces. The label s discography encompasses a wide range of contemporary music; The Cinematic Orchestra; Roots Manuva; Mr Scruff; Steinski; Amon; Kid Koala; The Herbaliser- and these are just some of the classics. The book tells the story of the growth of the label, including setting up a satellite office in Canada, where Ninja Tune s music developed such a loyal following that every Ninja artist s show there is attended by one uber-fan who turns up in a foam costume, passing himself off as a...
